

DISCLAIMER

Sullivan's IP Law Outline & Analysis[™] -- aka The IP Law Outline[™] -- is for informational purposes only. The information does not constitute legal advice and does not create an attorney-client relationship between us. The information in the IP Law Outline was selected, formulated, compiled and/or organized by the author, Michael Giles Sullivan, and is not to be attributed to anyone else, including, but not limited to, present and past employers and attorneys and firms associated with, as well as their clients and/or my clients, present, past or future. The IP Law Outline is intended primarily for other attorneys, or for learning purposes only, and should be used only as an additional resource for finding Federal Circuit, IP-related case law (which case law should be read in its entirety). Importantly, the IP Law Outline is not to be used as a substitute for competent legal advice from a licensed patent attorney or other qualified attorney. Although the author will always strive for the completeness, timeliness and accuracy of the information herein, the same obviously cannot be guaranteed. In short, these materials are "as is" and you should use them at your own risk, and all warranties are expressly disclaimed.

COPYRIGHT NOTICE

Sullivan's IP Law Outline & Analysis[™] and the accompanying Table of Cases are protected under the copyright laws. The IP Law Outline and Table of Cases shall not be republished, reproduced, distributed or transmitted (i.e., other users need to receive and read the Disclaimer above), modified or used to prepare derivative works, or any equivalents thereof. However, if desired, please feel free to save a copy of the PDF documents on your computer, and to print or copy small amounts of the material, within reason, for convenience and efficiency.
